SENIOR CLASS OFFICERS

PRESIDENT -----	Linda Ingram
VICE-PRESIDENT -----	Dale Williams
SECRETARY -----	Barbara Habernigg
TREASURER -----	Betsy Stafford
REPORTER -----	Linda Dunman

Of 1967

In September 1962, we began the eighth grade as a class of 270 students, 144 boys and 126 girls.

By the time of our ninth grade year our class enrollment consisted of 250 students.

From the beginning of our sophomore year the enrollment dropped from 236 to 219.

Throughout these years members of our class have participated annually in each sports event--We also shared in the receipt of awards during this time.

To honor the seniors, our junior year, after much preparation, we presented them a prom, "Moonlight and Roses", May 14, 1966.

This year, May 13, 1967, a prom, "Wonderland by Night", was presented in our honor by the junior class.

Our Baccalaureate Service was Sunday, June 4, with the Rev. John W. Sherman delivering the sermon. Seniors, wearing caps and gowns, marched out to the traditional recessional, "Pomp and Circumstance".

During the Commencement Program on June 6, 189 seniors received their diplomas from Mr. Foglesong. The Valedictory address was delivered by Linda Ingram and the Salutatory address was presented by Terry Hypes. The one thousandth person to receive a diploma at Giles High School, Ronald Brumfield, was a member of the Class of '67.

Thus, "We finish to begin" was the theme of the Class of 1967.

Dedication

For outstanding patronage, understanding, light-hearted participation, and for excellence in professional responsibilities, we dedicate our memories and accomplishments to one who has given much of herself to Giles High School. It is with great pride and warmth that we dedicate the 1967 Shield to MRS. MILDRED B. ANDREWS.

Faculty Follies

"You'd better not come one step closer!!"

"You can really learn a lot like this!"

"Keep dipping. My ring has to be in there somewhere!"

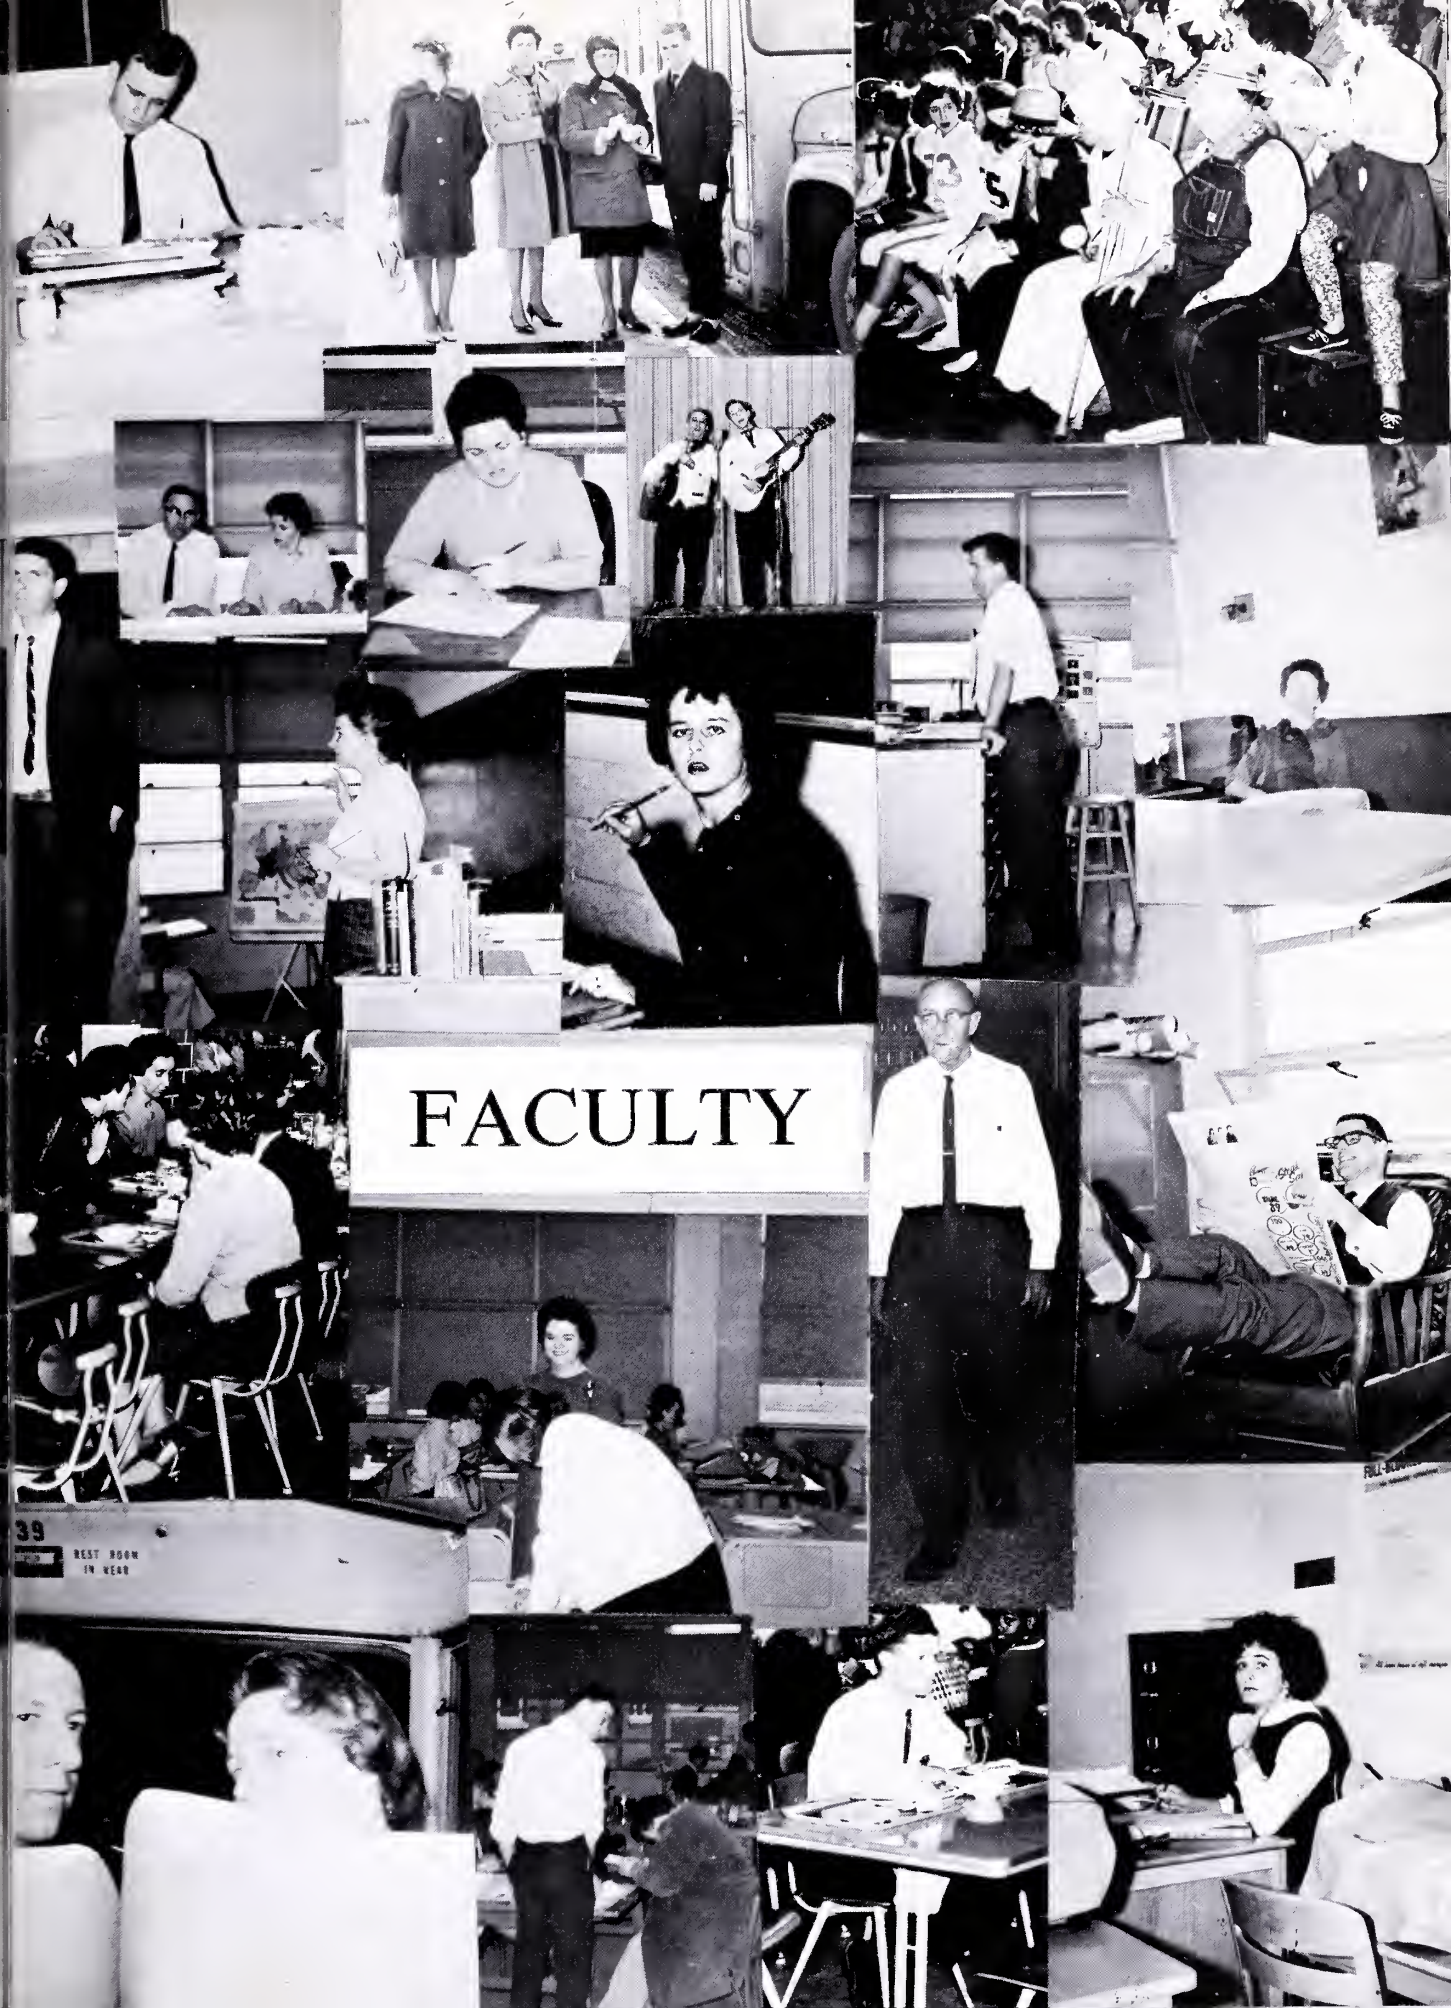

"I'll certainly not be responsible for that incorrect date on the announcements!"

"I'm telling Mr. Foglesong the next time anybody touches my doll!!"

Who says a teacher doesn't need a secretary?

Class of 1967:

The class of '67 has a special meaning to me. The one hundred and fifth member of this class who received his diploma marked the end of the first 1000 graduates to receive a diploma at Giles High School.

I congratulate you on your completion of five years of high school and hope more freedom and greater opportunity are yours for the future. Your success from this point in your life will depend on self-discipline, use of your ability and training received in your home, church and school.

You have my best wishes for a successful lifetime of learning and achievement.

Activities included competing in the Forensic Meet at Radford, and sponsoring a Christmas Court and dance. The Forensic Society has presented many fine plays throughout the year to the student body and the public.

"Go, Spartans!" is a favorite chant of the cheerleaders heard throughout the school year at G.H.S. These girls embody the spirit of the school with their yells, and their leadership of the student body during pep rallies, football games, and basketball games. In their world of jumps, pom poms, and spirited yells, the cheerleaders purpose is to create school spirit, loyalty, interest, and sportsmanship in school sponsored activities.

A Portrait Of The Art Club Trip

"Yes, it looks exactly like him!"

"But it will never get off the ground!"

On Friday, March 3, 34 Art enthused students boarded a chartered bus for Washington, D.C. and Richmond. Under the supervision of Mr. and Mrs. Ronald Jones and Mr. and Mrs. Kenneth Rakes, they explored the works of Van Gogh and other famous artists. The tour was concluded by visiting the Smithsonian Institute and other attractions of Washington.

About 1:00 a.m. Sunday morning they arrived safely home.

"What kind of fool am I?"

"Where's the elevator?"

"But, I thought they said no animals allowed!"

"So help me, if you go flat, I'll kill you!"

"What?! This is the boy's dressing room!!"

"Ernest, honey, I'll tell you..."

"Going to take a sentimental journey."

The Giles High Basketball squad, led by 1st team all-district Jody Falls and 2nd team all-district Robert King, turned in its finest season to date. Under the supervision of Coach Dave Steorts, the team compiled a 13-5 record which was good enough to put it in a tie for fourth place in the New River District standings. With several very close games, including two cliffhangers against Narrows, the season turned out to be one of our most exciting. The regular season was highlighted by a seven-game winning streak coming at the end. In the district tournament, the Spartans reached the semi-finals to climax our excellent season. Losing only three seniors, prospects for next year look good.

COACH - MR. CEDRIC FRAZIER

The Baseball Team finished another fine season with an overall record of 11-5. Led by Ronnie Trout, Coach Frazier's boys brought pride to our school. Graduation will take its toll, but several good players will be returning to lead next year's team.

J.V. Baseball

Cross Country District Champs

BACK ROW: Coach Mulheren, Claude Wimmer, Brian Dupell. MIDDLE ROW: David Coulthard, Charles Bogle, Jimmy Bales. BOTTOM ROW: Jimmy Oliver, Charley Edwards, Bobby Bogle (Manager)

The Spartans continued to dominate the district in Cross Country this fall, as we won our second consecutive district title under Coach Mulheren. Led by Charley Bogle, the Spartans compiled an 8-0 record, in dual competition, for our third straight unbeaten season. Against strong competition in the Concord Relays, our runners were second out of eight competing teams. We then proceeded to overwhelm the opponents in the district meet and to finish fourth in the state meet. With Bogle leaving and three outstanding Seniors graduating, next year's team will face a rugged challenge in defending the championship.

The Giles High track team had another highly successful season. Under the direction of Coach Dave Steorts, our team won two dual meets and three triangular meets. In the District Relays and the District Meet, we placed third and fourth, respectively. Pat St. Clair (220 and 100 yard dashes) and Robert King (shotput, discus, and high hurdles) led the team while Brian Dupell(880), Claude Wimmer (mile), Scotty Rose (low hurdles), and David Chapman (440) placed consistently.

COACH JIM WORLEY

FIRST ROW: David Eads, Tommy Groseclose, Robin Brotherton,
SECOND ROW: Bill Chamberlin, Chuck Shomo, Billy Danahy

The G. H. S. golfers were again successful in their 1967 season. Under the supervision of Coach Jim Worley, this year's quartet went undefeated with a record of nine wins and no losses. Our golfers retained the district championship which has been held by Giles for five consecutive years. Although the team lost three of last year's four starters, it was able to keep the balance which has been so successful in the past. Losing only Chuck Shomo by graduation, prospects for next year look good.
